Located in a small fishing village, still untouched by mass tourism. The structure, built in 2015, using only local labor, consists of a Bed & Breakfast (B&B) with 4 bungalows of 2 floors and a bar, immersed in a coconut palms land and far less than 5 minutes walk from the beach. Each bungalow is about 50 square meters on 2 floors. Downstairs there is the living room, a queen size bedroom, bathroom and kitchen that overlooks a fresh and airy patio. Upstairs there is the bedroom with double bed, a bathroom and a solarium with sea view. Our Bed & Breakfast is on the path defined "Ruta Ecoturística Samana" by the Dominican Ministry of Tourism. it leads to some of the most beautiful beaches of Samana Peninsula and maybe of whole Dominican Republic: Playa Madama y Playa Fronton, declared Natural Monuments by the Dominican Government.
