Confidential - brochure on request

A mountain village in the Valais which has retained its original character with its houses and old fittings tight around the Romanesque bell tower. This place offers a splendid alpine land-scape with generous and unique vegetation, a radiant climate and an invigorating and wild nature. In summer, a network of walking trails is available around the village and through the Vallon, a protected reserve teeming with natural riches. In winter, the ski resorts of the Val d'Anni-viers, 210km of slopes

The hotel is made up of 15 fully refurbished classic rooms, facing south-west with views of the Alps; and 5 atypical rooms in authentic Valais raccards overlooking the old village and the slopes.

Everything has been designed and installed - from decoration to equipment - to create a unique and romantic atmosphere, the place is particularly appreciated by couples. All our rooms have a view overlooking the mountains and / or the village. The bathrooms are fitted with a bath or shower. The toiletries of our range are at your disposal and on sale in our shop. Everything is available in the rooms to watch TV and connect to the Internet for free. You can also relax in the Nordic bath at your disposal.

You can book access to the private Spa for 2 hours (capacity 2 to 12 people)
