**About Bocas del Toro:** Bocas del Toro is booming. The Panamanian government is currently investing \$80 million to rebuild all the island's roads, including a bicycle path and sidewalk, and to bring electricity and drinking water to all parts of the island. The island's power plant is scheduled to be completely rebuilt by 2023, and the airport is due to be rebuilt and expanded to accommodate international flights once the roads are completed.

Nestled along the pristine shores of Bocas del Toro, Panama, this oceanfront lodge is a rare gem that combines natural beauty with profitable potential. This oceanfront lodge offers the perfect balance between tranquility and convenience. This extensive property boasts approximately 4000 m2 of titled land with 2 beaches, stretching along the beautiful sandy beaches that seamlessly merge with natural rock formations, creating a picturesque coastal haven. Properties like this are extremely difficult to find!

With a total of 9 hotel rooms, 4 rustic cabins, and 2 apartments, the lodge has the capacity to accommodate a variety of guests (maximum 50 guests). The restaurant, which boasts panoramic views of the Caribbean Sea, can host up to 35 guests. Additional full kitchen and dining area is available for guests who prefer to cook for themselves. Both apartments and all cabins come with a kitchen. Beyond the guest facilities, the property includes two comfortable rooms for managers, an apartment for workers with 3 separate rooms, and a dedicated house for volunteers or staff, ensuring the operational efficiency of the lodge.
